Dear Meena,

Congratulations! We are pleased to inform you that the National Eczema Association (NEA) Seal of Acceptance™ has been awarded to the following product(s):

- **Stelatopia Intense Eczema Relief**

The Seal of Acceptance™ has been awarded with the understanding that the product packaging may include the NEA Seal of Acceptance™ mark listing the NEA website as NationalEczema.org. The NEA website encourages consumers to obtain essential information regarding the standards by which products are evaluated and to read and understand the accompanying disclosures. The NEA website will also serve to empower consumers to educate themselves about how to care for eczema and sensitive skin, as well as receive support from NEA.

On behalf of NEA, we wish to thank you for applying for the Seal of Acceptance™ and congratulate you on the Award.

Sincerely,

Christine Anderson
Associate Director, Research Operations
